

Enforcer 6

As we enter our fourth month of our deployment, we are starting to get into our battle rhythm. Our Soldiers have accomplished some outstanding achievements within the first few months at Camp Taji. Our 3/5 platoon have issued more fuel and ammo within the first few months of this deployment than what they would have accomplished in a year in Fort Hood. Our Motorpool continues to make improvements to their work areas while supporting the mission. The Orderly room is doing an excellent job functioning 24hrs a day as the Enforcers command post. Our Dining Facility Soldiers are also doing a great job assisting the Kellogg Brown and Root employees that feed thousands of Soldiers daily. I would like to use this opportunity to congratulate some individual Enforcers for the following events and accomplishments:

Coins issued to soldiers during February.

PFC Franklin (Outstanding Tower Guard)
SPC Miggins (Outstanding Tower Guard)
SPC Davis B. (Winner of 4-4 BN Soldier of the Month Board)

Birthdays for the month of February.

SPC JORDEN 13TH FEB
SPC KOSTEN 14TH FEB
SPC PREER 18TH FEB
SFC RIOS 21ST FEB
SPC THOMAS 27TH FEB

Re-enlistments for the month of February.

I would also like to thank each and every family member for the continued support you have given us during the deployment. Each family member is part of the Enforcer team. You are proud of your soldiers and we are proud of you for all your support and efforts you are giving us while we are in Iraq. May the Days be Short and the Nights Go Fast.

Dear family member, I would like to start by saying your Soldiers are doing an outstanding job. For the past month your soldiers have worked extremely hard to make the quality of life better by cleaning their living areas and work areas. The Battalion commander issued the soldiers their combat patches a very proud moment to be a soldier. Your Soldiers have been conducting maintenance operations, refueling of aircraft, ammo

distribution, guard duty and a long list of other operations. The moral continues to be high thanks to the family members support. Thanks to all of you for your support. There we're five birthdays this month and we're sending 16 soldiers home the month of March for EML leave. Thanks again for your support 1SG Libby (Enforcer 7)
